

Celebrating 41 years of community service

BADARIKASHRAMA EXPANSION PROJECT

Badarikashrama as a non-profit institution has served the community for the past 41 years with spiritual practices and cultural values. With the grace of God, and community support the Ashrama has grown immensely to meet the needs of devotees. The India Center of Badarikashrama, devoted to rural development in India is complete and now stands handed over to Ramakrishna Math & Mission. Our current focus is to expand our services for our US center.

The long-term mission and vision of the Ashrama is to continue serving the community and its next generation with expanded services. For this, we need more space. We want to explore either a large pre-existing facility or 3-5 acres of land. In this noble endeavor, we need your active support to accelerate progress. We are in our second year of fundraising. We urge you donate to the best of your ability for the next generation community fostering the spirit of service. Thank you!

In the new facility, we can serve to a broader community.

- Continue to conduct puja's, celebrate festivals, enable world-class concerts
- Conduct regular Vedanta, Arts, Music and Yoga classes
- Dedicated Sunday School "Balsanskara" for children
- Have proper parking and accessibility considerations

We heartily thank you for all your help and cooperation in the past 40 years. With your support, Badarikashrama has had an enduring impact on society where thousands of children in India have access to education through the Badarikashrama Vidyashala, a CBSE certified institution in Karnataka. Because of you, we also have a strong community here in the United States. Together with our loved ones we have conducted puja's, celebrated festivals, have been exposed to world class music and dance and felt a sense of faith and friendship that is lasting at a place we can call home away from home! We need your help now to make a lasting impact! Please join us!
